

OTA Regulations Bulletin 18-02

Date: April 20 2018

From: Stephen Deneka, CASC-OR Time Attack Director

To: All Ontario Time Attack Competitors

Subject: Catch Tank and Oil Pan Clarifications

The following wording supercedes the existing 4.8.1.4 rule:

4.8.1.4 Catch tanks, oil filters, fuel filters and oil coolers on the engine, transmission and final drive housing may be modified ***or added***. **Catch tanks may be either recirculating or vented to the atmosphere.**

The following rule is added and effective immediately:

4.8.1.19 Oil pans and pumps may be modified.
